WHO IS JILLIAN TUBE?

Jillian might be the litter sister of well-known toy-reviewer EvanTubeHD, but her spinoff channel JillianTubeHD has been a huge success in its own right and has helped to bring young girls into the "Tube" fanbase. She appears regularly on EvanTubeHD and their Tube family vlogging channel, EvanTubeRaw.

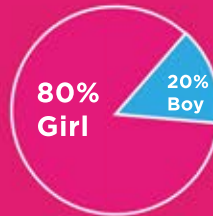

JillianTubeHD focuses on topics she loves like dolls, creative projects, games and challenges. Above all she loves sharing arts and crafts ideas with her viewers, and is currently obsessed with making slime. When not filming videos, she's doing Zumba, performing in musical theater and taking tap dance and voice lessons.
