JILLIAN'S MYSTERY CRAFT BOX

TM

10 x 10' Live Action

Craft Queen Karina Garcia is putting Jillian's DIY-fortitude to the test! Jillian must create an exciting and unique craft using only the items given to her in a mystery box. With the help of her adorable crafting buddies, Jillian demonstrates there's always a crafty solution to any problem.

Jillian might be the litter sister of well-known toy-reviewer EvanTubeHD, but her spinoff channel JillianTubeHD has been a huge success in its own right. She still appears regularly on EvanTubeHD to take on her brother in trending YouTube challenges, and is a key part of the Tube family vlogging channel, EvanTubeRaw. On her own channel Jillian focuses on topics she loves like dolls, creative projects, games and challenges. Above all she loves sharing arts and crafts ideas with her viewers.
